

Expand Your Personal and Professional Connections

Presented by LPGA Amateur Golf Association
(Cleveland, OH chapter)

Golf and LPGA Amateur Golf Association, Cleveland Chapter, provide a fun and rewarding venue for women seeking to expand their personal and professional connections.

LPGA Amateur Golf Association is an initiative born through an alliance between the LPGA Foundation and the Executive Women's Golf Association (EWGA). Think of the LPGA Amateur Golf Association as a women's golf organization that transcends geographic boundaries. We bring women together to share their passion for golf! With chapters in over 100 cities in the U.S. and internationally, the LPGA Amateur Golf Association hosts thousands of golf, social, and networking events annually as well as providing members with the opportunity to participate in major National championships and events.

Whether you need to learn the game, or are already an advanced player, LPGA Amateur Golf Association Cleveland can provide you with the tools and support to grow. From learning the game through LPGA Amateurs-sponsored lessons and mentoring, to meeting new connections through weekday evening league play and weekend golf outings, to sharpening your competitive skills through the LPGA Amateurs Championship and Cup events, LPGA Amateurs provides so many more benefits than any other women's golf league, anywhere.

Are you just starting out in your career and looking to make some connections or are you retired and want to continue the networking opportunities? Young Professional and Senior members are available.

The LPGA Amateur Golf Association is dedicated to:

- Inclusivity and diversity; golf is for all
- Golf as an important asset for women in business
- Volunteer service
- Mentoring and support for new golfers

- Advancement of skills for all golfers
- Making a difference in women's golf
