

Family fishing at Orchard Hills Park by Jim Marquardt

FAMILY, NATURE 'N FUN

IN YOUR GEAUGA PARK DISTRICT

The warmth of the sun finally calls us back outdoors in these months, and we celebrate together by indulging in tradition: parks and yards, barbecues and farm markets, bonfires and sporting events. Inspired by our warm-weather freedom, we also seek new ways to spend time with ourselves: getting to know a new park, cultivating a garden, walking for fitness or [spending time with our families outdoors](#).

Springtime chill so far behind us, we'll hear parent birds anxiously calling to their young fledglings. We'll do the same over fireworks and s'mores – a reminder that, in the summertime, perhaps we're all more similar than we think.
